

# LOVE – The First Law of Heaven

Helping it be on earth

As it is in heaven

Makes all the difference

- Life is filled with hope as you glorify God and help His children come out of darkness into the light of His love.
- Love helps you rejoice in the signs of the times that Christ is Coming.
- Science and Religion come together in harmony as with the Nephites – as demonstrated in the Hopewell’s “Land Bountiful” – who were filled with Christ’s love.
- The word **ISRAEL** in the temple ceremony has great significance; understanding “Who is Israel?” helps us best help Father to bring about the work of the covenants – coupling us with His perfect love.
- Liberty was protected by our inspired Constitution; we will regain it in its fullness with His Coming, which is the fullness of the Gospel of Jesus Christ (**THE BEST NEWS!**) – leading to perfect love, which casts out all fear.
- Being **BORN AGAIN**, which fills us with God’s love, is a body, mind, and spirit experience – bringing the greatest of joy in this life and eternal life in the next – the greatest of all the gifts of God.
- **PREPAREDNESS** takes on a whole new meaning as we anticipate the days ahead through the eyes of love and the Lord’s perspective. We have every reason to rejoice in the Lord.
